AGENTIC AI DOCUMENT FORENSICS INVESTIGATION REPORT

Contextual Document Authenticity & Tamper Anomaly Analysis System

Investigation ID:	INV-F31A6556	**Generated:**	2026-11-08 09:54:10 UTC
System Finding:	**Potentially Tampered / High Risk**	**Decision Status:**	**Reviewed: Confirmed Tampered**

LEGAL & FORENSIC ADVISORY: *This report compiles automated findings from deep learning and contextual language models (MobileNetV2, YOLOv8, Qwen-2.5, Sentence-BERT). Detected anomalies, visual bounding boxes, and cross-document inconsistencies highlight areas warranting closer examination.* ***Model predictions do not constitute conclusive proof of fraud.*** *Final determination remains strictly under authorized human investigator control.*

1. Executive Summary

A total of **2** document(s) and **2** page(s) were examined. The visual forensics pipeline identified **26** potentially manipulated region(s). The contextual agent evaluated key entities, and cross-document comparison detected **1** potential contradiction(s). Overall, **29** evidence items were mapped.

2. Document Overview & Visual Forensics

Document Name	Pages	Classification	Tamper Score	Suspicious Regions
DOC-3C4F9F6D_sample_salary_slip.pdf	1	**Potentially Tampered**	0.9500	15
DOC-73E0A273_sample_bank_statement.pdf	1	**Potentially Tampered**	0.9500	11

3. Contextual and Entity Findings

Extracted Entities: 8 identified.

4. Cross-Document Comparisons & Contradictions

Doc A	Doc B	Semantic Sim.	Findings / Status
DOC-3C4F9F6D_sample_salary_slip.pdf	DOC-73E0A273_sample_bank_statement.pdf	0.7853	Strongly Related Document Pair

Identified Value Discrepancies:

• Discrepancy in Salary / Credit Amount: 'DOC-3C4F9F6D_sample_salary_slip.pdf' reports 'INR 50,000', while 'DOC-73E0A273_sample_bank_statement.pdf' reports 'INR 35,000' (variance: 15,000.00).

5. Mapped Evidence Registry

ID	Document & Page	Type	Conf.	Source Text / Details
EVIDENCE_1	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 2.1% confidence.
EVIDENCE_2	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 1.7% confidence.

EVIDENCE_3	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_4	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_5	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_6	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_7	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_8	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_9	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_10	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_11	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.
EVIDENCE_12	sample_salary_slip.pdf (p.1)	Potentially suspicious visual region	N/A	YOLOv8 detected a localized visual anomaly with 94.5% confidence.

6. Investigator Review & Final Human Sign-off

STATUS: OFFICIALLY ADJUDICATED & SIGNED — Formal human forensic review completed and recorded in the audit log.

Investigator Name:	**Mano Ranjan G**	**Review Date:**	**2026-11-08 09:55 UTC**
Final Disposition:	[ ] Verified Authentic **[X] Confirmed Tampered** [ ] Inconclusive	**Signature:**	Mano Ranjan G DIGITALLY CERTIFIED • 1708F4BBBF • VERIFIED
Investigator Notes:	**No additional notes recorded. Adjudication confirmed based on pipeline findings.**
